London, UK: Brown & Brown (Europe) Limited, part of Brown & Brown Inc. ("Brown & Brown"), has acquired Irvine Commercial Insurance Brokers Limited ("Irvine Commercial"), a Kenilworth-based firm specialising in insurance broking services for local SMEs.

Founded in the early 2000s by directors John Townsley and Matthew Finch, the company offers a range of products, including motor fleet, commercial combined, combined liability and contractors all risks and will bolster Brown & Brown's presence in the Midlands.

John Townsley and Matthew Finch and their staff will continue to operate from their current location and report to James Birrell, regional managing director at Brown & Brown Europe.

John Townsley commented on the deal: "We are excited to join forces with Brown & Brown Retail Lutterworth, which will allow us to leverage the group's extensive resources and capabilities, enabling us to provide even greater value to our customers while maintaining our commitment to personalised service."

Matthew Finch added: "Joining the Brown & Brown team marks a significant milestone for our company. We look forward to the opportunities that lie ahead, which will benefit both our customers and our dedicated team."

James Birrell said: "We are delighted to welcome John, Matthew and their team to Brown & Brown. Their specialisation and strong customer relationships align perfectly with our values.
