Specialist digital broker for medical professionals to join Brown & Brown's Digital Division

London, UK: Brown & Brown (Europe) Ltd, part of Brown & Brown Inc. ("Brown & Brown"), has acquired the entire share capital of All Medical Professionals Limited ("AMP"), trading as All Med Pro Dental.

AMP is a Swindon-based digital insurance broker serving medical professionals across the Dentistry, Life Science and Hospital sectors. Founded in 2011 by Company Directors Tom Chaston and Adam O'Keeffe, AMP has developed a strong reputation for delivering specialist, technology-enabled solutions to medical professionals.

Tom, Adam and their team will continue with the business post-acquisition, operating from its existing location in Swindon and continuing to trade under the All Med Pro name.

AMP will become part of the Digital Division of Brown & Brown (Europe), led by Steve Anson.

Steve Anson said: "We're delighted to welcome Tom, Adam and the AMP team to Brown & Brown. AMP has built an outstanding reputation, and the collective experience and specialisation is a perfect fit for our Digital Division."

Tom Chaston said: "Joining Brown & Brown marks an exciting new chapter for All Med Pro. From our beginnings in 2011, we've built a business centred on supporting medical professionals with trusted advice and tailored products. This move gives us the platform to accelerate our growth while continuing to deliver specialist products and services to our customers."

Adam O'Keeffe said: "Our focus has always been on creating long-lasting relationships and delivering real value to our customers. Becoming part of Brown & Brown allows us to strengthen that focus and expand the support we can offer to the medical and dental community."

Regulatory approval for the transaction has been received, and the consideration is undisclosed.
