(the “Company”) completed the issuance and sale of \$400,000,000 aggregate principal amount of the Company’s 4.600% Senior Notes due 2026 (the “2026 Notes”), \$500,000,000 aggregate principal amount of the Company’s 4.700% Senior Notes due 2028 (the “2028 Notes”), \$800,000,000 aggregate principal amount of the Company’s 4.900% Senior Notes due 2030 (the “2030 Notes”), \$500,000,000 aggregate principal amount of the Company’s 5.250% Senior Notes due 2032 (the “2032 Notes”), \$1,000,000,000 aggregate principal amount of the Company’s 5.550% Senior Notes due 2035 (the “2035 Notes”) and \$1,000,000,000 aggregate principal amount of the Company’s 6.250% Senior Notes due 2055 (the “2055 Notes,” and together with the 2026 Notes, the 2028 Notes, the 2030 Notes, the 2032 Notes and the 2035 Notes, the “Notes”). The net proceeds to the Company from the sale of the Notes, after deducting underwriting discounts and estimated offering expenses, were approximately \$4.2 billion.

The Notes were offered and sold under the Company’s Automatic Shelf Registration Statement on Form S-3 (Registration No. 333-271708) filed with the Securities and Exchange Commission (the “SEC”) on May 8, 2023 (the “Registration Statement”). In connection with the issuance and sale of the Notes, the Company entered into an Underwriting Agreement, dated as of June 11, 2025, with BofA Securities, Inc. and J.P. Morgan Securities LLC, as representatives of the several underwriters named therein, which was filed as an exhibit to the Company’s Current Report on Form 8-K filed with the SEC on June 13, 2025.

The Notes were issued pursuant to that certain Indenture, dated as of September 18, 2014, between the Company and U.S. Bank Trust Company, National Association (as successor to U.S. Bank National Association), as trustee (the “Base Indenture”), as supplemented by the First Supplemental Indenture, dated as of September 18, 2014, the Second Supplemental Indenture, dated as of March 11, 2019, the Third Supplemental Indenture, dated as of September 24, 2020, the Fourth Supplemental Indenture, dated as of March 17, 2022, the Fifth Supplemental Indenture, dated as of June 11, 2024, and the Sixth Supplemental Indenture, dated as of June 23, 2025 (the “Supplemental Indentures”, and the Base Indenture, as supplemented by the Supplemental Indentures, the “Indenture”).

Information concerning the Notes and related matters is set forth in the Registration Statement, including the Company’s Prospectus and Prospectus Supplement, which Prospectus Supplement was filed with the SEC on June 13, 2025.

The 2026 Notes bear interest at the rate of 4.600% per year and will mature on December 23, 2026. The 2028 Notes bear interest at the rate of 4.700% per year and will mature on June 23, 2028. The 2030 Notes bear interest at the rate of 4.900% per year and will mature on June 23, 2030. The 2032 Notes bear interest at the rate of 5.250% per year and will mature on June 23, 2032. The 2035 Notes bear interest at the rate of 5.550% per year and will mature on June 23, 2035. The 2055 Notes bear interest at the rate of 6.250% per year and will mature on June 23, 2055. Interest on the Notes will be payable semi-annually in arrears on June 23 and December 23 of each year, commencing on December 23, 2025. The Notes are senior unsecured obligations of the Company and will rank equal in right of payment to all of the Company’s existing and future senior unsecured indebtedness. The Company may redeem the Notes in whole or in part at any time and from time to time, at the redemption prices specified in the Prospectus Supplement for the Notes being redeemed, plus accrued and unpaid interest thereon to but excluding the redemption date.

If the acquisition of RSC Topco, Inc. (“RSC”), a Delaware corporation (the “Transaction”), is not consummated on or prior to the later of: (x) March 10, 2026 (as such date may be extended in accordance with the Merger Agreement (as defined below) to June 10, 2026) and (y) the date that is five business days after any later date to which the Company and RSC may agree to extend the “Expiration Date” in the Merger Agreement (the “Outside Date”) or, if on or prior to such date, the Company notifies the trustee in writing that the Merger Agreement is terminated, then, in either case, the Company must redeem all of the 2026 Notes, the 2028 Notes, the 2030 Notes, the 2032 Notes and the 2055 Notes, in each case, at a redemption price equal to 101% of the principal amount of such notes, plus accrued and unpaid interest to, but not including, the special mandatory redemption date. The 2035 Notes are not subject to the special mandatory redemption provision and will remain outstanding even if the Transaction is not consummated on or prior to the Outside Date, or, if on or prior to such date, the Company notifies the trustee in writing that the Merger Agreement is terminated (unless they are otherwise optionally redeemed pursuant to their terms).

The Company intends to use the net proceeds of the Notes, together with the proceeds from its previously announced sale of 43,137,254 shares of its common stock, par value \$0.10 per share (the “Shares”), and cash on hand, to fund the cash consideration payable under the previously announced agreement and plan of merger, dated June 10, 2025, by and among RSC, the Company, Encore Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of the Company, and Kelso RSC (Investor), L.P., a Delaware limited partnership, solely in its capacity as the equityholder representative (the “Merger Agreement”), and to pay fees and expenses associated with the foregoing. If the Transaction is not consummated, the Company intends to use the proceeds from the offering of the Shares and the 2035 Notes for general corporate purposes.

The Indenture includes certain restrictive covenants, including covenants that limit the ability of the Company and certain of its subsidiaries to, among other things, incur certain secured debt and consolidate, merge, or transfer substantially all of the Company’s assets to another entity. The covenants are subject to a number of important exceptions and qualifications set forth in the Indenture. The Indenture also contains a covenant regarding the repurchase by the Company of the Notes upon a “change of control triggering event.”

The foregoing description of the Indenture and the Notes is qualified in its entirety by their respective terms. The Base Indenture, the Sixth Supplemental Indenture, dated as of June 23, 2025, and the forms of the Notes are filed as exhibits to this Current Report on Form 8-K and are incorporated by reference herein.

In connection with the issuance of the Notes, Holland & Knight LLP, counsel to the Company, delivered an opinion to the Company, dated June 23, 2025, regarding the legality of the Notes upon issuance and sale thereof. A copy of the opinion is filed as Exhibit 5.1 to this Current Report on Form 8-K and is incorporated by reference into the Registration Statement.

In determining the applicable Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant maturity on H.15 exactly equal to the period from the Redemption Date to the Applicable Par Call Date (the “Remaining Life”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Applicable Par Call Date on a straightline basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the Redemption Date.

If on the third Business Day preceding the Redemption Date no such yield or yields appear in H.15 or H.15 or any successor designation or publication is no longer published, the Company shall calculate the Treasury Rate applicable to such redemption based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second Business Day preceding such Redemption Date of the United States Treasury security maturing on, or with a maturity that is closest to, the Applicable Par Call Date, as applicable. If there is no United States Treasury security maturing on the Applicable Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Applicable Par Call Date, one with a maturity date preceding the Applicable Par Call Date and one with a maturity date following the Applicable Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Applicable Par Call Date. If there are two or more United States Treasury securities maturing on the Applicable Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices, expressed as a percentage of principal amount, at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

“Trustee” has the meaning given to such term in the preamble hereof.

“Voting Stock” of any specified Person as of any date means the Capital Stock of such Person the holders of which are at the time entitled to vote generally in the election of the board of directors or similar governing body of such Person.

## **ARTICLE TWO CREATION, FORMS, TERMS AND CONDITIONS OF THE SECURITIES**

SECTION 2.01 Creation of the Notes. In accordance with Section 301 of the Base Indenture, the Company hereby creates the Notes as a separate series of its securities issued pursuant to the Indenture. The 2026 Notes shall be issued initially in an aggregate principal amount of \$400,000,000, the 2028 Notes shall be issued initially in an aggregate principal amount of \$500,000,000, the 2030 Notes shall be issued initially in an aggregate principal amount of \$800,000,000, the 2032 Notes shall be issued initially in an aggregate principal amount of \$500,000,000, the 2035 Notes shall be issued initially in an aggregate principal amount of \$1,000,000,000 and the 2055 Notes shall be issued initially in an aggregate principal amount of \$1,000,000,000.

SECTION 2.02 Form of the Notes. The Notes shall each be issued in the form of a Global Note, duly executed by the Company and authenticated by the Trustee, which shall be deposited with the Trustee as custodian for DTC and registered in the name of "Cede & Co.," as the nominee of DTC. The Notes shall be substantially in the form of Exhibit A, Exhibit B, Exhibit C, Exhibit D, Exhibit E and Exhibit F attached hereto (including the Global Note Legend thereon). Notes issued in definitive certificated form in accordance with the terms of the Base Indenture and this Sixth Supplemental Indenture, if any, shall be substantially in the form of Exhibit A, Exhibit B, Exhibit C, Exhibit D, Exhibit E and Exhibit F attached hereto (but without the Global Note Legend thereon). So long as DTC, or its nominee, is the registered owner of a Global Note, DTC or its nominee, as the case may be, shall be considered the sole owner or Holder of the Notes represented by such Global Note for all purposes under the Indenture. Ownership of beneficial interests in such Global Note shall be shown on, and transfers thereof shall be effected only through, records maintained by DTC (with respect to beneficial interests of participants) or by participants or Persons that hold interests through participants (with respect to beneficial interests of beneficial owners). In addition, the following provisions of clauses (1), (2), and (3) below shall apply only to Global Notes:

(1) Notwithstanding any other provision in the Indenture, no Global Note may be exchanged in whole or in part for Notes registered, and no transfer of a Global Note in whole or in part may be registered, in the name of any Person other than the Depository for such Global Note or a nominee thereof unless (A) such Depository has notified the Company that it is unwilling or unable or no longer permitted under applicable law to continue as Depository for such Global Note and the Company has not appointed a successor Depository within ninety (90) days of receipt of such notice or has ceased to be a clearing agency registered under the Exchange Act, (B) there shall have occurred and be continuing an Event of Default with respect to such Global Note or (C) the Company (subject to the procedures of the Depository) so directs the Trustee by Company Order. Beneficial interests in Global Notes may be exchanged for Definitive Notes of the same series upon request but only upon prior written notice given to the Trustee by or on behalf of the Depository in accordance with customary procedures.

(2) Subject to clause (1) above; any exchange of a Global Note for other Securities may be made in whole or in part, and all Securities issued in exchange for a Global Note or any portion thereof shall be registered in such names as the Depository for such Global Note shall direct.

(3) Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Note or any portion thereof, shall be authenticated and delivered in the form of, and shall be, a Global Note, unless such note is registered in the name of a Person other than the Depository for such Global Note or a nominee thereof.

SECTION 2.03 Terms and Conditions of the Notes. The Notes shall be governed by all the terms and conditions of the Base Indenture, as supplemented or modified by this Sixth Supplemental Indenture. In particular, the following provisions shall be terms of the Notes:

(a) Title and Aggregate Principal Amount. The title of the Notes shall be as specified in the Recitals; and the aggregate principal amount of the Notes shall be as specified in Section 2.01 of this Article Two.

(b) Stated Maturity. The 2026 Notes shall mature, and the unpaid principal thereon shall be payable, on December 23, 2026 (the “2026 Notes Maturity Date”), the 2028 Notes shall mature, and the unpaid principal thereon shall be payable, on June 23, 2028 (the “2028 Notes Maturity Date”), the 2030 Notes shall mature, and the unpaid principal thereon shall be payable, on June 23, 2030 (the “2030 Notes Maturity Date”), the 2032 Notes shall mature, and the unpaid principal thereon shall be payable, on June 23, 2032 (the “2032 Notes Maturity Date”), the 2035 Notes shall mature, and the unpaid principal thereon shall be payable, on June 23, 2035 (the “2035 Notes Maturity Date”) and the 2055 Notes shall mature, and the unpaid principal thereon shall be payable, on June 23, 2055 (the “2055 Notes Maturity Date”) subject to the provisions of the Base Indenture and Article Three and Article Four below.

(c) Interest. The rate per annum at which interest shall be payable on the 2026 Notes shall be 4.600%, the rate per annum at which interest shall be payable on the 2028 Notes shall be 4.700%, the rate per annum at which interest shall be payable on the 2030 Notes shall be 4.900%, the rate per annum at which interest shall be payable on the 2032 Notes shall be 5.250%, the rate per annum at which interest shall be payable on the 2035 Notes shall be 5.550% and the rate per annum at which interest shall be payable on the 2055 Notes shall be 6.250%. Interest on the Notes shall be payable semi-annually in arrears on each June 23 and December 23, beginning December 23, 2025 (each, an “Interest Payment Date”), to the Persons in whose names the applicable Notes are registered in the Security Register applicable to the Notes at the close of business on the immediately preceding June 8 or December 8, respectively, prior to the applicable Interest Payment Date regardless of whether such day is a Business Day (each, a “Regular Record Date”). Interest on the Notes shall be computed on the basis of a 360-day year consisting of twelve 30-day months. Interest on the Notes shall accrue from and including June 23, 2025. If an Interest Payment Date or the Applicable Maturity Date falls on a day that is not a Business Day, the payment shall be made on the next Business Day as if it were made on the date the payment was due, and no interest shall accrue on the amount so payable for the period from and after that Interest Payment Date or the Applicable Maturity Date, as the case may be, to the date the payment is made. Interest payments shall include accrued interest from and including the date of issue or from and including the last date in respect to which interest has been paid, as the case may be, to, but excluding, the Interest Payment Date or the Applicable Maturity Date, as the case may be.

(d) Registration and Form. The Notes shall be issuable as Registered Securities as provided in Section 2.02 of this Article Two. The Notes shall be issued and may be transferred only in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. All payments of principal, Redemption Price, Special Mandatory Redemption Price in the case of the SMR Notes, and accrued unpaid interest in respect of the Notes shall be made by the Company in immediately available funds.

(e) Defeasance and Covenant Defeasance. The provisions for defeasance in Section 402(2) of the Base Indenture, and the provisions for covenant defeasance in Section 402(3) of the Base Indenture, shall be applicable to the Notes.

(f) Further Issues. Notwithstanding anything to the contrary contained herein or in the Base Indenture, the Company may, from time to time, without notice to, or the consent of, the Holders, create and issue additional securities having the same ranking and terms and conditions as the Initial Notes in all respects, except for issue date, the public offering price and the date on which interest will begin to accrue. Additional Notes issued in this manner shall be consolidated with and shall form a single series with the Initial Notes and be treated as a single class for all purposes under this Indenture.

With respect to any Additional Notes, in addition to any other requirements set forth in the Base Indenture, the Company shall set forth in an Officers' Certificate, a copy of which shall be delivered to the Trustee, the following information:

- (i) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Sixth Supplemental Indenture;
- (ii) the issue price, the issue date and the CUSIP number of such Additional Notes; *provided, however*, that no Additional Notes may be issued at a price that would cause such Additional Notes to have "original issue discount" within the meaning of Section 1273 of the Code; and
- (iii) whether such Additional Notes will be issued in global form and whether and to what extent the Additional Notes will contain additional legends.

(g) Other Terms and Conditions. The Notes shall have such other terms and conditions as provided in the form thereof attached as Exhibit A, Exhibit B, Exhibit C, Exhibit D, Exhibit E and Exhibit F.

SECTION 2.04 Ranking. The Notes shall be senior unsecured obligations of the Company. The Notes shall rank *pari passu* in right of payment with all other senior unsecured indebtedness, including, without limitation, any unsecured senior indebtedness, of the Company and senior in right of payment to all subordinated indebtedness of the Company.

SECTION 2.05 Sinking Fund. The Notes shall not be entitled to any sinking fund.

SECTION 2.06 Place of Payment. The Place of Payment in respect of the Notes will be at the office or agency of the Company in The City of New York, State of New York or at the office or agency of the Paying Agent in The City of New York, State of New York. The Company initially appoints the Trustee such office or agency. The Company will give to the Trustee notice of the location of each such office or agency and of any change of location thereof. In case the Company shall fail to maintain any such office or agency or shall fail to give such notice of the location or of any change in the location thereof, presentations, notices and demands may be made at the office or agency of the Trustee in The City and State of New York.

SECTION 2.07 Transfer and Exchange.

(a) The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in accordance with the provisions of the Base Indenture, this Sixth Supplemental Indenture and the then applicable procedures of the Depositary (the "Applicable Procedures"). In connection with all transfers and exchanges of beneficial interests, the transferor of such beneficial interest must deliver to the Trustee either (A)(I) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the

Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or, if Definitive Notes are at such time permitted to be issued pursuant to this Sixth Supplemental Indenture and the Base Indenture, (B)(1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Security Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in the Base Indenture, this Sixth Supplemental Indenture and the Notes or otherwise applicable under the Securities Act, the Security Registrar shall adjust the principal amount of the relevant Global Notes pursuant to Section 2.08 hereof.

(b) Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.07(b), the Security Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Trustee the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Security Registrar duly executed by such Holder or by its attorney, duly authorized in writing. The Trustee shall cancel any such Definitive Notes so surrendered, and the Company shall execute and, upon receipt of a Company Order pursuant to Section 303 of the Base Indenture, the Trustee shall authenticate and deliver to the Person designated in the instructions a new Definitive Note in the appropriate principal amount. Any Definitive Note issued pursuant to this Section 2.07(b) shall be registered in such name or names and in such authorized denomination or denominations as the Holder of such beneficial interest shall instruct the Security Registrar through instructions from the Depositary and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Definitive Notes are so registered. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to Section 305 of the Base Indenture.

**SECTION 2.08 Cancellation and/or Adjustment of Global Notes.** At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or cancelled in whole and not in part, each such Global Note shall be returned to or retained and cancelled by the Trustee in accordance with Section 309 of the Base Indenture. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Securities represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Security Registrar or by the Depositary at the direction of the Security Registrar to reflect such increase.

**ARTICLE THREE**  
**REDEMPTION OF THE NOTES**

SECTION 3.01 Optional Redemption by Company.

(a) Prior to the 2026 Notes Maturity Date in the case of the 2026 Notes; May 23, 2028 (1 month prior to the 2028 Notes Maturity Date) (the “2028 Notes Par Call Date”) in the case of the 2028 Notes; May 23, 2030 (1 month prior to the 2030 Notes Maturity Date) (the “2030 Notes Par Call Date”) in the case of the 2030 Notes; April 23, 2032 (2 months prior to the 2032 Notes Maturity Date) (the “2032 Notes Par Call Date”) in the case of the 2032 Notes; March 23, 2035 (3 months prior to the 2035 Notes Maturity Date) (the “2035 Notes Par Call Date”) in the case of the 2035 Notes; or December 12, 2054 (6 months prior to the 2055 Notes Maturity Date) (the “2055 Notes Par Call Date”) in the case of the 2055 Notes, the Company may redeem the Notes of such series at its option, in whole or in part, at any time and from time to time, at a redemption price (the “Redemption Price”) (expressed as a percentage of the principal amount and rounded to three decimal places) equal to the greater of:

(i) (1) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes of such series being redeemed discounted to the Redemption Date (assuming the Notes of such series being redeemed matured on the Applicable Par Call Date) on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate, plus 10 basis points, 15 basis points, 15 basis points, 20 basis points, 20 basis points or 25 basis points, in the case of the 2026 Notes, the 2028 Notes, the 2030 Notes, the 2032 Notes, the 2035 Notes or the 2055 Notes, respectively, less, (2) interest accrued to the Redemption Date, and

(ii) 100% of the principal amount of the Notes of such series being redeemed,

plus, in either case, accrued and unpaid interest thereon, if any, to the Redemption Date.

On or after the Applicable Par Call Date, the Company may redeem the Notes of such series, in whole or in part, at any time and from time to time, at a Redemption Price equal to 100% of the principal amount of the Notes of such series being redeemed, plus accrued and unpaid interest thereon, if any, to the Redemption Date.

(b) The Company’s actions and determinations in determining the Redemption Price shall be conclusive and binding for all purposes, absent manifest error. The Company will notify the Trustee of the Redemption Price promptly after the calculation thereof and the Trustee shall not be responsible or liable for any calculation of the Redemption Price or of any component thereof, or for determining whether manifest error has occurred.

(c) Notices under this optional redemption section will be mailed or electronically delivered (or otherwise transmitted in accordance with the Depository’s procedures) at least 10 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed.

(d) On and after the Redemption Date of Notes of a series, interest will cease to accrue on such Notes or any portion thereof called for redemption, unless the Company defaults in the payment of the Redemption Price and accrued interest. On or before the Redemption Date, the Company will deposit with a Paying Agent, or the Trustee, money sufficient to pay the Redemption Price of and accrued interest on the Notes to be redeemed on such date. In the case of a partial redemption of a series of Notes, selection of the Notes of such series for redemption will be made pro rata, by lot or by such other method as the Trustee in its sole discretion deems appropriate and fair, in accordance with the policies and procedures of the Depository. No Notes of a principal amount of \$2,000 or less will be redeemed in part. If any Note of a series is to be redeemed in part only, the notice of redemption that relates to the Note of such series will state the portion of the principal amount of the Note of such series to be redeemed. A new Note of such series in a principal amount equal to the unredeemed portion of the Note of such series will be issued in the name of the holder of the Note upon surrender for cancellation of the original Note. For so long as the Notes are held by DTC (or another Depository), the redemption of the Notes shall be done in accordance with the policies and procedures of the Depository.

(e) Except as otherwise set forth in this Article III, the terms and conditions upon which and the manner in which the Notes may be redeemed by the Company pursuant to this Article III are governed by the provisions of Article XI of the Base Indenture.

(f) Notwithstanding subsection (a), installments of interest on the applicable Notes that are due and payable on any Interest Payment Date falling on or prior to a Redemption Date shall be payable on such Interest Payment Date to the registered Holders as of the close of business on the relevant Regular Record Date according to the terms of such Notes and the Indenture. Unless the Company defaults in payment of the Redemption Price, on and after the Redemption Date interest shall cease to accrue on any Notes or portions thereof that are called for redemption.

(g) In addition to the Company's right to redeem the Notes as set forth above, the Company may at any time and from time to time purchase Notes in open market transactions, tender offers or otherwise.

#### SECTION 3.02 Mandatory Redemption of the SMR Notes.

(a) In the event that (i) the Transaction has not been completed on or prior to the Outside Date, or (ii) on or prior to the Outside Date, the Company notifies the Trustee in writing that the Merger Agreement is terminated (each, a "Special Mandatory Redemption Event"), then, in either case, the Company will be required to redeem all of the outstanding SMR Notes on the Special Mandatory Redemption Date (as defined below) at a redemption price equal to 101% of the principal amount of the SMR Notes to be redeemed, plus accrued and unpaid interest from the date of initial issuance of such Notes to, but not including, the Special Mandatory Redemption Date (the "Special Mandatory Redemption Price").

(b) Upon the occurrence of a Special Mandatory Redemption Event, the Company will promptly (but in no event later than three Business Days following such Special Mandatory Redemption Event) notify the Holders of the SMR Notes (with a copy to the Trustee) in writing (such notice referred to herein as the “Special Mandatory Redemption Notice” and the date on which such notice is provided to the Holders (with a copy provided to the Trustee) referred to herein as the “Special Mandatory Redemption Notice Date”) of such event (with an Officers’ Certificate certifying the occurrence of the Special Mandatory Redemption Event to be simultaneously delivered to the Trustee), that the SMR Notes will be redeemed by the Company on a date which shall be no later than five Business Days (and no sooner than two Business Days) after the Special Mandatory Redemption Notice Date (such date, the “Special Mandatory Redemption Date”). The notice provided on the Special Mandatory Redemption Notice Date shall notify each Holder of the SMR Notes in accordance with the applicable provisions of the Indenture that all of the outstanding SMR Notes shall be redeemed by the Company at the Special Mandatory Redemption Price on the Special Mandatory Redemption Date automatically and without any further action by the Holders of the SMR Notes. At the Company’s written request, the Trustee shall give the Special Mandatory Redemption Notice in the Company’s name and at the Company’s expense. On or prior to 10:00 a.m., New York City time, on the Special Mandatory Redemption Date, the Company will deposit with the Trustee funds sufficient to pay the Special Mandatory Redemption Price for all of the SMR Notes to be redeemed and direct the Trustee in writing to use such funds in connection with the Company’s redemption of such SMR Notes on the Special Mandatory Redemption Date. If such deposit is made as provided above, the SMR Notes will cease to bear interest on and after the Special Mandatory Redemption Date and the Trustee shall cause the redemption of the SMR Notes and the payment of the Special Mandatory Redemption Price in accordance with the written directions provided by the Company (which directions shall be included in the written Special Mandatory Redemption Notice to the Holders of such SMR Notes (with a copy to the Trustee)).

(c) Notwithstanding subsection (a) above, installments of interest on the SMR Notes that are due and payable on any Interest Payment Date falling on or prior to a Special Mandatory Redemption Date shall be payable on such Interest Payment Date to the registered Holders of the SMR Notes as of the close of business on the relevant Regular Record Date according to the terms of the SMR Notes and the Indenture. Unless the Company defaults in payment of the Special Mandatory Redemption Price, on and after the Special Mandatory Redemption Date interest shall cease to accrue on the SMR Notes.

(d) Upon the consummation of the Transaction, the foregoing provisions of this Section 3.02 will cease to apply.

## **ARTICLE FOUR REMEDIES**

### **SECTION 4.01 Event of Default.**

(a) Section 501 of the Base Indenture is hereby amended, solely with respect to the Notes, to add the following Event of Default:

(1) a default under any Indebtedness by the Company or any of its Subsidiaries that results in acceleration of the maturity of such Indebtedness, or failure to pay any such Indebtedness at maturity, in an aggregate amount greater than \$50,000,000 or its foreign currency equivalent at the time, provided that the cure of such default shall remedy such Event of Default under this Section 4.01(a)(l).

**ARTICLE FIVE  
CHANGE OF CONTROL**

SECTION 5.01 Repurchase at the Option of Holders Upon Change of Control Triggering Event.

(a) If a Change of Control Triggering Event occurs, unless the Company has exercised its right to redeem the Notes pursuant to the Indenture, the Company shall be required to make an offer to each Holder of the Notes to repurchase all or any part (in excess of \$2,000 and in integral multiples of \$1,000 principal amount) of that Holder's Notes at a repurchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, plus any accrued and unpaid interest on the Notes repurchased to the date of repurchase.

(b) Within thirty (30) days following any Change of Control Triggering Event or, at the option of the Company, prior to any Change of Control, but after the public announcement of the pending Change of Control, the Company shall mail a notice to each Holder, with a copy to the Trustee, describing the transaction or transactions that constitute or may constitute the Change of Control Triggering Event and offering to repurchase the Notes on the payment date specified in the notice, which date shall be no earlier than thirty (30) days and no later than sixty (60) days from the date such notice is mailed. The notice shall, if mailed prior to the date of consummation of the Change of Control, state that the offer to repurchase is conditioned on the Change of Control Triggering Event occurring on or prior to the payment date specified in the notice.

(c) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act, and any other securities laws and regulations to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control Triggering Event provisions of the Notes, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under the Change of Control Triggering Event provisions of the Notes or the Indenture by virtue of such conflict.

(d) On the Change of Control Triggering Event payment date, the Company shall, to the extent lawful:

(i) accept for payment all the Notes or portions of the Notes (in minimum denominations of \$2,000 and integral multiples of \$1,000 above that amount) properly tendered pursuant to its offer;

(ii) deposit with the Paying Agent an amount equal to the aggregate purchase price in respect of all the Notes or portions of the Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee the Notes properly accepted, together with an Officers' Certificate stating the aggregate principal amount of Notes being purchased by the Company.

(e) The Paying Agent shall promptly pay, from funds deposited by the Company for such purpose, to each Holder properly tendered, the purchase price for the Notes, and the Trustee shall promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of any Notes surrendered.

(f) The Company shall not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchase all Notes properly tendered and not withdrawn under its offer.

This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$[ ], *provided* that the Company may, without the consent of any Holder, at any time and from time to time issue additional Notes.

The Notes of this series are subject to redemption as provided in Section 3.01 and Section 3.02 of the Sixth Supplemental Indenture and Article Eleven of the Base Indenture.

This Note will not be subject to any sinking fund.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee an indemnity satisfactory to the Trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for sixty (60) days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and integral amounts of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

THE SECURITIES OF THIS SERIES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$[ ], *provided* that the Company may, without the consent of any Holder, at any time and from time to time issue additional Notes.

The Notes of this series are subject to redemption as provided in Section 3.01 and Section 3.02 of the Sixth Supplemental Indenture and Article Eleven of the Base Indenture.

This Note will not be subject to any sinking fund.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time Outstanding shall have made written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee an indemnity satisfactory to the Trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for sixty (60) days after receipt of such notice, request and offer of indemnity. No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and integral amounts of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

This Note is one of a duly authorized issue of securities of the Company (herein called the “Notes”), issued and to be issued in one or more series under an Indenture, dated as of September 18, 2014 (the “Base Indenture”), as supplemented by the Sixth Supplemental Indenture, dated as of June 23, 2025 (the “Sixth Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and U.S. Bank Trust Company, National Association (as successor to U.S. Bank National Association), a national banking association duly organized and existing under the laws of the United States, as Trustee (herein called the “Trustee”, which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Note and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$ \_\_\_\_\_, *provided* that the Company may, without the consent of any Holder, at any time and from time to time issue additional Notes.

The Notes of this series are subject to redemption as provided in Section 3.01 and Section 3.02 of the Sixth Supplemental Indenture and Article Eleven of the Base Indenture.

This Note will not be subject to any sinking fund.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time Outstanding shall have made written request to the Trustee to institute

proceedings in respect of such Event of Default as Trustee and offered the Trustee an indemnity satisfactory to the Trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for sixty (60) days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

The Notes of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and integral amounts of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

Dated:

This Note is one of a duly authorized issue of securities of the Company (herein called the “Notes”), issued and to be issued in one or more series under an Indenture, dated as of September 18, 2014 (the “Base Indenture”), as supplemented by the Sixth Supplemental Indenture, dated as of June 23, 2025 (the “Sixth Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), between the Company and U.S. Bank Trust Company, National Association (as successor to U.S. Bank National Association), a national banking association duly organized and existing under the laws of the United States, as Trustee (herein called the “Trustee”, which term includes any successor trustee under the Indenture), and reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and immunities thereunder of the Company, the Trustee and the Holders of the Note and of the terms upon which the Securities are, and are to be, authenticated and delivered. This Note is one of the series designated on the face hereof, initially limited in aggregate principal amount to \$ \_\_\_\_\_, *provided* that the Company may, without the consent of any Holder, at any time and from time to time issue additional Notes.

The Notes of this series are subject to redemption as provided in Section 3.01 and Section 3.02 of the Sixth Supplemental Indenture and Article Eleven of the Base Indenture.

This Note will not be subject to any sinking fund.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of this Note or certain restrictive covenants and Events of Default with respect to this Note, in each case upon compliance with certain conditions set forth in the Indenture.

If an Event of Default with respect to Notes of this series shall occur and be continuing, the principal of the Notes of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Note.

As provided in and subject to the provisions of the Indenture, the Holder of this Note shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Notes of this series at the time Outstanding shall have made written request to the Trustee to institute

proceedings in respect of such Event of Default as Trustee and offered the Trustee an indemnity satisfactory to the Trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding, for sixty (60) days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Note for the enforcement of any payment of principal hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Security Register, upon surrender of this Note for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Note are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes of this series are issuable only in registered form without coupons in minimum denominations of \$2,000 and integral amounts of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Notes of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Note for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Note is registered as the owner hereof for all purposes, whether or not this Note be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.
